PRODUCT DESCRIPTION: _____

MODEL NUMBER(S): _____

Power Requirements **AC** Source: _____ Voltage _____ Current _____ Wattage _____ Phase _____

Power Requirements **DC** Source: _____ Converter _____ Battery _____ Voltage _____ Current _____

Physical Size: _____ Length _____ Width _____ Height _____ Weight _____

Special Handling Required: _____ Set-Up Time: _____

CLIENT SIGNATURE: _____ **DATE:** _____

DTT ENGINEER SIGNATURE: _____ **DATE:** _____

Client MUST Sign and return prior to test date
